HORSLEY WOODHOUSE PC

## Rain couldn't stop play

**Best Float** was shared between the two entries **1<sup>st</sup> Sitwell Scouts and Studio 7 Dance 'spitfires'** (they will hold the trophy each for six months); both went for a superhero theme this year. **The trophy is sponsored by Dennis Cruise** in memory of his late wife Janet and was presented by Dennis and the **Carnival Guest & Official Opener James Lewis**

**The Carnival Royalty, Attendant**

**(Grace Latham), King (Bladen Gilbert) and Queen (Annabelle Milner)** enjoyed their car ride, chaperoned by Miss Leanne (Relevation Dance). They waved all the way through the village and had to put up their brollies for a little while too! The Flower Shop provided the beautiful flower poses and corsage.

The **Vintage Vehicle competition** was won by **Paul Dale** with a **Ford Cortina** and said he would enjoy his bottle of Champagne and hopes to win next year too. This

year a new trophy was introduced in memory of **Jack Clarke** (founding member of HWCA and who is sadly missed), gifted by **John Clarke** at Smalley Service Station.

The **Dog competition** came into the main ring for the **Best in Show** and this year's winner was **Jack** a **15 ½ year old Jack Russell/Collie cross**, shown by his owner **Steve**; Reserve prize went to Nancy a previous resident of **Just for Dogs** who run the whole dog show for us. She is a mixed breed and was presented by her owner Malcolm Salt.

The **'Welly Wanging'** proved a popular event with the adults this year. Hope to see more younger children for next year. There were two brave entrants for the under 10's **Oliver Bott** (aged 8) pipped Joe Crufts (aged 4) to take the title. **Maisy Chamberlin** (aged 14) beat five other teenagers to take the winner prize. Last year's champion was beaten by **Liam O'Shea** to take the title as adult welly wanger.

The **Tug of War competition** was a battle of wills this year with some great

entertainment provided by our medieval re-enactment colleagues from Team Falchion; who thought it would be a good idea to have a go in leather boots with shiny flat soles!! Five teams battled it out but, in the end,

**'Walkers Wonders'** took the adult title from last year's winning team the Scout Leaders. Two kids teams

fought a tight battle with **'Scout Chungi'** just beating **'Woodhouse Warriors'** to take the winner title.

**Tug of War sponsored by the Old Oak Pub**

## Horsley Woodhouse Speed Watch

Over the last few years there have been an increasing number of complaints and indeed observations of speeding traffic through and around Horsley Woodhouse. There have been requests for some sort of deterrent to slow the traffic to within the acceptable speed limit due to concerns for the safety and wellbeing of our residents, and also people using the roads.

**The Community Speed Watch system** has been introduced where active members of local communities join with the support of the Police to monitor the speed of vehicles using speed detection devices. Vehicles found to be exceeding the speed limit are referred to the Police with the aim of educating drivers to reduce their speeds. In cases where this is blatantly ignored and evidence of repeat or excessive offences is collated, enforcement and prosecution follow.

If you are one of the many local people who have felt the need to make your voices heard on this important subject, now is your chance to actively make a difference and improve the safety and quality of life both for yourself and those around you.

If you'd like to be involved in this important initiative please contact the Horsley Woodhouse Parish Council Clerk - Mrs Kay Richardson 01332 883 404 or e-mail: [horsleywoodhouseparishcouncil@aol.com](mailto:horsleywoodhouseparishcouncil@aol.com)

## Introducing new activities at the Church Hall

### **Miss Leanne brings Dance to the Church Hall**

RAD RTS. AISTD. NATD Diploma in Contemporary Dance. AAC1 & AAC2. CDMT Approved Teacher. First Aid Trained. Safeguarding Trained. Enhanced DBS Certificate. Licensed Chaperone.

Miss Leanne is a diligent teacher with a mother's intuition, having taught dance alongside a career in utilities for over 14 years. The arrival of her first child in 2013 provided the realisation that teaching dance is what she is destined to do. After a few years of juggling motherhood, an established career, teaching dance, the arrival of another baby, an unpredictable lifestyle as a military spouse and achieving several prestigious dance teaching qualifications; Leanne decided to take the plunge. She has set the foundations of her own academy "Relevétion Dance Academy" in September 2019, offering training in Ballet, Tap, Modern, Acrobatics, Contemporary and Latin American.

Miss Leanne is a passionate teacher who thrives on seeing the achievements of her students. From imaginative pre-school classes, to structured vocational classes and sophisticated adult classes, lessons are thoughtfully prepared to ensure students are motivated, inspired and hungry for more.

Former students of Miss Leanne have gone on to train with the Royal Ballet School Junior Associates, The Hammond School, Lipa, MADD, EPA and Urdang to name a few, and many former students are now working professionally as dancers/performers.

Relevétion Dance Academy students will be able to train with the best dance education boards for each discipline. Miss Leanne has trained across several boards to enable students to follow the best syllabus for each genre:

BALLET – Royal Academy of Dance.

TAP & MODERN – Imperial Society for Teachers of Dancing.

CONTEMPORARY – National Association of Teachers of Dance.

ACRO – Acrobatic Arts.

## Over 60's Club - at the British Legion Hall

The summer season rolls on and we are well into our outings programme.

On Wednesday 17<sup>th</sup> July we visited good old Skeggy and had a relaxing day by the seaside, doing all the time honoured things you do at 'Skeg', fish and chips, ice cream and watching the world go by on the beach. It could have been the 30's and 40's apart from the free Wi-Fi signs and the F35's from Coningsby beating up the

beach. Quick comfort stop at Newark for a swift half, what more would you want from a summers day in England.

Our next outing is on **September 4<sup>th</sup>** (a Wednesday) and will be a "mystery trip" not Skeggy. Spare seats for visitors, contact Don or Cilla.

Next club meeting is on **Tuesday 30<sup>th</sup> July** at the Royal British Legion.

## Horsley Woodhouse and Smalley Royal British Legion

The branch goes from strength to strength with membership now at its highest point for sometime, this means that H.Q. in London cannot justify trying to get us to amalgamate with any of the nearby town branches.

The Legion financial year ended on 30<sup>th</sup> June and our

returns will shortly be audited. Following the accountants scrutiny they will come before the Branch meeting for approval and then go to the County Secretary for onward transmission to H.Q. in London.

**The next branch meeting will be on Monday 5<sup>th</sup> August at**

**7.30 pm in the Legion Hall.**

## The loss of a dear friend - In Memory of Ismay Wass

Sadly, Ismay passed away on Monday 1<sup>st</sup> July 2019. Ismay was born in Horsley Woodhouse on February 15<sup>th</sup> 1924, her Father was a local preacher visiting Methodist Churches in the area. She moved up to Blackpool with her husband John (who originally came from the Lancashire area) to go into the hotel business, before moving to Torquay. This is where we met, staying at the Beverley Lodge Hotel first in 1987 then returning for many happy holidays after this.

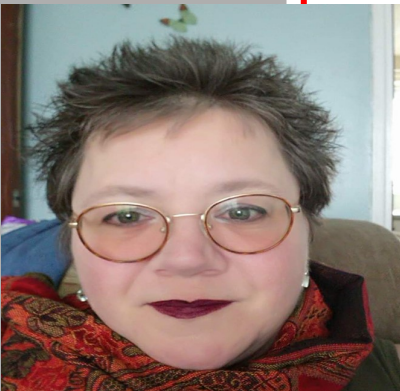

After retiring Ismay and John stayed in the Torquay area, before moving up to Cleveleys to be near her Daughter Elaine and David, and their Daughter Charlotte. John suffered ill health and unfortunately passed away. Recently Ismay moved in with Elaine and David in Poulton-Le-Fylde where she was very happy and very well looked after.

I first began writing to Ismay and John after our holiday in 1987 and continued always looking forward to hearing from my dear friend and in return writing back with all the local and family news which she enjoyed reading; and especially looked forward to her "Wudhus News" dropping through the letter box. Ismay was a sweet lady with the loveliest of smiles, a kind heart, and a true friend.

Hope you will join me to remember Ismay Wass, who will be sadly missed by many locals.

## **New Prescription Medicines Order Line**

As from 15<sup>th</sup> July, there is a new telephone number for you to request your repeat prescription - **Tel 0115 855 0260. The lines are open weekdays 9:00 am to 4:00 pm.** It will no longer be possible for you to order your prescriptions by phoning the old number.

**Why are we offering this new service?** The **Prescription Medicines Order Line** is a new and convenient way to order your repeat prescription. We believe that this new service will help ensure our patients receive the correct quantity of medication needed, in a timely manner, to reduce the amount of medication waste. **The telephone lines will be open for a longer period of time and hence provide more flexibility for when you can order your repeat prescription.**

**Who will you be talking to?** Your call will be answered by a dedicated, experienced and fully trained call handler who will have access to your medical records. The call handler will only access your personal information relevant to your request.

**When will the prescription be ready?** Once you have made the telephone call, your prescription will be authorised by Arthur Medical Centre and sent to the pharmacy of your choice within two working days. **Please allow additional time for the pharmacy to process your request.**

**Are there alternatives to using this service?** Yes – you may order your prescriptions online. Please contact reception if you wish to register for this. Or you may post your repeat slip into the labelled box in the entrance hall to reception.

## **Online Consultations with Arthur Medical Centre**

Patients registered at Arthur Medical Centre can now use '**Engage Consult**', a new online consultation system, to obtain advice about your medical problem or your medication. You can even use Engage Consult to ask our admin team a question!

**How do I access 'Engage Consult'?** You can access this new service by going to our website [www.arthurmedicalcentre.co.uk](http://www.arthurmedicalcentre.co.uk), and then click on '*online consultations with the surgery*'. By following the links you can create your own Engage Consult account and then start your online consultation or enquiry. There is also lots of helpful advice on how self-manage to many health conditions.

**When will I get a reply?** We aim to provide a prompt response, usually on the same day if you access the service before 11.00 am.

## Ambulance First Responder

Last October Peter Oughton decided that he wanted to also help our community by training to become a Community First Responder (CFR) helping the NHS and Ambulance Service.

Below is a link to the Charity for more information (all voluntary work):

<https://www.acfrs.org/>

The main reason for the CFR group is that an ambulance can take a while to get to a CAT1 emergency (cardiac arrest) with the help of a local (community member) being trained to assist in CPR and the use of EMAS medical equipment they can be dispatched by the ambulance service to be on scene to assist before the ambulance arrives.

**In an emergency the patient needs to ring 999 as normal but in certain circumstances a CFR maybe dispatched as well as an ambulance.**

He is now qualified as a Level 2 CFR, this means he can assist on major trauma and cardiac arrests. Great for the community of Horsley Woodhouse and surrounding areas.

As per the June/July edition (page 17), every minute counts.

Again, it is important to remember that the patient must always call 999 if in an emergency. They may dispatch me to help.

**If you would like to support this community service, you can make a donation via text to:**

ACFR then the amount you would like to donate to 70085

(ACFR10 if you want to donate £10)

## Councillor Kevin BATTERY – Keeping you Updated

I am pleased to support Woodhouse Carnival again this year, the event goes from strength to strength due to the hard work and commitment of the Carnival Committee.

**It would appear that about 17,000 Derbyshire Pensioners are entitled to, but not claiming, the pension top-up, with the take-up rate for those over 75 being only 60%. Local pensioners could qualify even if they have significant savings (in the tens of thousands of pounds); they own their own home or are a couple with up to £460 a week coming in, but they both qualify for disability benefits and are carers for each other. Some people do not know they can claim, can feel embarrassed or struggle to apply because it is too complicated. Pensioners who qualify get on average about £250 a month.**

I appreciate claiming benefits can be complex, but to check if you qualify, there are Council staff on hand to assist you.

**Please contact them by email [welfare.benefits@derbyshire.gov.uk](mailto:welfare.benefits@derbyshire.gov.uk) or telephone between 11.00 am and 4.00 pm on 01629 531 535 any weekday except Wednesday.**

It has been recognised that the number of recorded cases of

measles in the UK has increased this year. It has also increased across Europe, including France and Germany. It is highly infectious and although usually a mild illness in children, measles can be more severe in adults. Young people and adults aged 15 or over who missed out on the MMR vaccination have been particularly infected. Festivals or any other events where lots of people mix together, provide the perfect sort of environment for measles to spread. Derbyshire residents are being encouraged to check that they and their families have had two doses of the MMR vaccine before they travel abroad. This can be done via their GP.

Amber Valley Borough Council is proposing to introduce new powers to tackle irresponsible dog owners in the area via the introduction of a **Public Spaces Protection Order**. This order will require any person in charge of a dog to immediately remove any dog faeces from public areas and show they have a suitable bag in their possession to clean it up. Keep the dog on a lead in cemeteries and to prevent it from entering or remaining in children's play areas within parks and open spaces. Any

person in breach will be issued a Fixed Penalty Notice or prosecuted at Magistrates Courts. Assistance dogs will be exempt. The Council do not intend to increase the number of dog bins.

**The Council is consulting on this issue until Friday 2<sup>nd</sup> August 2019.** If approved, it will come into force on the 20<sup>th</sup> October 2019. Details can be accessed via the Amber Valley Council website [www.ambervalley.gov.uk](http://www.ambervalley.gov.uk) so please have your say.

On a personal note, in my role as Chair of Derbyshire Fire & Rescue Service, it was an honour to welcome Her Royal Highness, the Princess Royal, who paid a private visit to the joint Derbyshire Police & Fire Headquarters at Ripley. This was to celebrate the two emergency services collaborating in 'Making Derbyshire Safer Together'. Her Royal Highness spent the afternoon meeting staff and undertook a tour of the new joint training centre.

**If there is an issue I can help you with, please contact me on 01332 781 092 or [kevin.battery@derbyshire.gov.uk](mailto:kevin.battery@derbyshire.gov.uk).**

# Scouts, Cubs, Beavers & Explorers

Both Beavers and leaders having fun on our last night before the summer holidays hope they all enjoyed it!! Beavers will return on the 12<sup>th</sup> September.

Beavers had a great time at 'I should coco', Belper in July - hope they cleaned their teeth afterwards.

WOW some great kites were made in July at Beavers, not too many competitive Dads!! Hope they all had fun - look forward to seeing them fly. **Please put any photos on the colonies FB page too.**

Great to see some people agreed to help at the HW Carnival on 20<sup>th</sup> July. Many thanks.

Any money raised helps to keep the cost of Cubs/Beavers down for parent and child.

We'll be back on the 11<sup>th</sup> September, if there's anything your child wants to do at Cubs, please let us know. We'll be planning the programme on the 4<sup>th</sup> September.

Cubs prepping for the Carnival. We also gave out the last lot of badges before Summer!

Cubs from Sitwell were joined by 1st Erewash Cubs, we did Shelter Building and, of course, we had a fire so had to have marshmallows

too! Also a big 'Well Done' to Jess, who received her Gold Duke of Edinburgh award!

Bit of a walk last month, with a few diversions. Cows kept getting in the way.

Thanks to Skip for popping along and leading us, and sorry to his

daughter who he forgot to pick up since he was having so much fun with us!

I just want to say a Big THANK YOU to all the leaders and helpers for giving up their weekend to ensure the young people had the best camp we could do at 1st Sitwell. Many thanks to the support group for helping behind the scenes getting the group our camping equipment etc. throughout the year.

Of course, many thanks to the cooks on camp – I forgot to say that at our 'close of play' meeting 😊. Hope they all had fun. Again, thanks for the leaders and helpers for giving up their time for free. More pictures are available on the sections own Facebook pages.

Over the past couple of weeks, we've been doing our Athletics Badge. Last week's rain meant that we had to stay in the Hall. Doing a warm up and some throwing games, and then

making Toast Towers. Thankfully it was dry the last week so they could get out and do some running and jumping to finish it off. Busy night last week of activities in July!

Finishing off the Disability Awareness badge, doing some Gardening, a few investitures, and awarding a load of badges!

Thanks to Charlie for teaching the Cubs to Sign some songs!
