## Local dancers bring home the medals

Pictured here are members of Studio 7 Dance and Performing Arts School after their recent success at Kings Dance Festival held at Heanor Gate Science College. Hundreds of competitors from 11 high standard schools competed in different dance genre over three weekends for medals and trophies. Studio 7 came home with nearly 40 medals and four trophies which is amazing given that we have only been open for one year! The school, situated on Lady Lea Road in Horsley Woodhouse, offers classes in ballet, tap, modern, Acro, street, commercial, drama and vocal coaching as well as dedicated boys dance classes, catering for children from just 18 months upward. We also offer adult ballet and tap and adult fitness classes, Pilates, Zumba and 'legs, bums and tums'.

Studio 7 will be performing their first show on 16<sup>th</sup> and 17<sup>th</sup> October at Belper School Theatre. Tickets are available by calling 07539 119 290 or

by popping into the studio. We welcome new members throughout the year and the first lesson is free.

**Studio 7 are offering two tickets to one of their performances on either 16<sup>th</sup> or 17<sup>th</sup> October.** All you have to do is send the correct answer to the following question with your name,

## Lest we Forget

### Dulce Et Decorum Est

by Wilfred Owen

Bent double, like old beggars under sacks,  
Knock-kneed, coughing like hags, we cursed through sludge,  
Till on the haunting flares we turned our backs  
And towards our distant rest began to trudge.  
Men marched asleep. Many had lost their boots  
But limped on, blood-shod. All went lame; all blind;  
Drunk with fatigue; deaf even to the hoots  
Of disappointed shells that dropped behind.

GAS! Gas! Quick, boys!-- An ecstasy of fumbling,  
Fitting the clumsy helmets just in time;  
But someone still was yelling out and stumbling  
And floundering like a man in fire or lime.--  
Dim, through the misty panes and thick green light  
As under a green sea, I saw him drowning.

In all my dreams, before my helpless sight,  
He plunges at me, guttering, choking, drowning.

If in some smothering dreams you too could pace  
Behind the wagon that we flung him in,  
And watch the white eyes writhing in his face,  
His hanging face, like a devil's sick of sin;  
If you could hear, at every jolt, the blood  
Come gargling from the froth-corrupted lungs,  
Obscene as cancer, bitter as the cud  
Of vile, incurable sores on innocent tongues,--  
My friend, you would not tell with such high zest  
To children ardent for some desperate glory,  
The old Lie: Dulce et decorum est  
Pro patria mori.

*The closing lines mean the old lie "that it is somehow sweet and fitting to die for your country in battle"*

## Horsley Woodhouse Community Association

### Open Meeting/AGM 10<sup>th</sup> September 2015

This year's annual open meeting took place in the Old Oak Inn. It is the chance for any member of our community to have his or her say about this year's carnival and to make suggestions for next year's event. It had been hoped that the venue and its fine selection of ales would attract a strong turnout but apart from committee members, there were a disappointing nine attendees.

The evening began with the presentation of a new trophy for the Best Carnival Float which has been kindly donated by Dennis Cruise in memory of his late wife Janet Cruise. This year's winners were the Studio 7 Dance and Performance Arts School and we were very pleased that most of those who had organised or been on the float were present to receive their award from Dennis.

There has been a very positive response to this year's carnival which had an attendance of about 1,250, due to a mixture of traditional and new attractions and assisted no doubt by the glorious weather on the day. The few criticisms that were received have been noted and will be acted upon for next year's event. Next year is our Ruby (40<sup>th</sup>) Carnival and a very special event is already being planned.

Treasurer, Claire Hague, reported that expenditure on this year's carnival was £5,459 and income was a very healthy £6,290. Most of this was from grants (fewer this year), local sponsors and the entry fee but the refreshment tent and the raffle were also significant sources of revenue. A significant proportion of the profit has already been spent on the purchase of two second hand marquees which were used this year and will ensure that future carnival costs are kept as low as possible.

The AGM concluded with the election of officers and committee members and we are sadly losing two members this year who have been the mainstay of the carnival recently, namely our former Secretary, Vanessa Feeney and her sister, Kelly Vallance (Vice Chair). Alison Napier proposed a vote of thanks to both of them and commented that the carnival would not have been held for the last three years without all their hard work. Although they will no longer serve on the committee, thankfully both said they will be available for general advice and assistance. In spite of the low attendance, we are very pleased that we have two new committee members, and we look forward to welcoming them to the next committee meeting in October.

The minutes from the Open/AGM meeting will be placed in the Parish Council Notice Boards shortly.

## Request for Community Support

### Skipton Building Society – Grassroots Giving Appeal

Horsley Woodhouse Community Association relies on grants and sponsorship to run the carnival and keep the entrance fee as low as possible (children are free). Some of our grants are no longer available but we have been fortunate to be shortlisted on the 2015 Skipton Building Society Grassroots Giving scheme, which offers a grant of £500 to community groups such as ours.

Marquee hire has been our largest single cost and this year the purchase of two second hand marquees has significantly reduced the annual costs of the carnival. If our bid is successful, we would use the Skipton Building Society grant to purchase another marquee which would be used for the craft tent. We would then not have to hire any marquees for future carnivals.

Selection of the winning bids is by votes from the public (anyone can vote) and all you need to do to vote online is follow these steps:

Log on to:

- <https://www.skiptongrg.co.uk>
- click on 'Grassroots Giving 2015'
- then '2015 Shortlisted Groups'
- select 'East Midlands' on the map
- read our story under 'No 27 Horsley Woodhouse Community Association'
- enter your e-mail address next to 'Vote Now'
- Click 'Vote Now' (not forgetting to tick the box underneath first if you don't want to receive e-mail regarding the Grassroots Giving scheme)

You can vote in-branch but as our nearest is Nottingham, I assume you will prefer the online method.

**Please vote as soon as possible as the closing date is 12<sup>th</sup> October.** There is only one vote per person (or at least per e-mail address), so please send the voting instructions on to your contacts to give us the best chance of winning our bid.

## Garden Opening - 9 Main Street, 1<sup>st</sup> & 2<sup>nd</sup> August

We would like to give a very big 'Thank You' to everyone who came to support us at this year's NGS Open Garden event. We had an exceptional week-end, helped by the good weather and the article about the garden in the Derby Telegraph. Over 350 people (plus dogs!) visited during the week-end and we raised £2,056. The Derbyshire Children's Holiday Centre team made £445.50 from the sale of Cream Teas. The gate, plant and honey sales money will go to the nursing and garden charities that NGS supports. (For a full list of these, please see the NGS web-site [www.ngs.org.uk](http://www.ngs.org.uk)) We are very grateful for the continued support the village community gives our garden openings.

For a number of years volunteers from the Derbyshire Children's Holiday Centre have done cream teas in support of the Open Garden at Alison and Ian's lovely garden in the village and raised much needed financial support in aid of the work of the Holiday Centre. The Holiday Centre supports local children with a wonderful holiday at the seaside at Skegness. Each year we provide 450 children with a holiday and these children would not get a break away from home without our help. Next year is the 125<sup>th</sup> Anniversary of our charity and recently our charity were delighted to receive the Queen's Award for Voluntary Service.

Alison Napier and Ian Hill

This weekend was much busier than any in the past probably through the excellent coverage in the Derby Telegraph and for the first time the garden was open for two consecutive days. The Saturday was curtailed a little by the weather, but

Sunday was perfect and for the first time we ran out of teas! £445.50 was raised for funds which will help us greatly in our work and a big thank you to Ian and Alison for inviting us each year to their lovely home and garden. As you can see we enjoy our time so very much and everyone we meet through the Open Garden Scheme.

In addition I believe Alison and Ian raised over £1,000 for Open Garden Charities. So well done to them both and for their willingness to 'Open Up' their garden each year and the hard work that is required. The Holiday Centre is delighted to give the scheme their help.

## County Councillor Kevin Buttery – Keeping you Updated

It was great to see some of the world's top cyclists race through the village as part of Stage 6 of the Aviva Tour of Britain cycling race. Hopefully this will inspire some of us to become more active and take up cycling, as there are more than 300km of cycle ways in Derbyshire.

Digital Derbyshire is a £27.67 million programme aiming to transform superfast broadband throughout Derbyshire. It also aims to work with BT to ensure that premises will see an uplift in speed and deliver a minimum of 2Mbps. If your street is not regularly achieving this minimum speed please let me know.

I am pleased to support the Test Town Challenge. Heanor has been selected as one of only ten towns in the UK to host the Test Town Challenge, supporting young people and stimulating regeneration activity in the town. Young entrepreneurs aged 16 – 30 years are invited to participate in the challenge to showcase their ideas, business or service to the public and promote their concepts. The Test Town Market encourages the promotion and sale of goods as they launch their fledgling business. The project will also offer young people tailored business support in advance of the event to increase their knowledge and skills to ensure that they are business ready and will offer the support of business mentors. One lucky participant will receive the opportunity to base their business in the Enterprise Emporium in Heanor for the week to maximise their experience in the real world, before being nominated to go forward to the national Test Town final taking place early in 2016 where the overall prize winner has the chance to benefit from a prize worth £10,000 to support their business.

Fly-tipping appears to be on the increase. It is a crime, with a penalty of up to £50,000 or 12 months imprisonment. Please note that if your rubbish is fly-tipped you could also be prosecuted, even if you didn't dump it or know it was going to be dumped. No-one likes to see fly-tipping, it is unsightly, can be unsafe and is expensive to clear up. If you see someone dumping rubbish, take the registration number of the vehicle, description of those responsible, location and type of rubbish, then ring 'Call Derbyshire' on 01629 533190 to report it.

**Are Bollards the answer?**

It seems that grass verges are still an issue in the village, plus with wetter seasons approaching it will only get worse and the Parish Council have been asked to do something about it. Could placing bollards along Church Lane and Lady Lea Road and in other problem areas throughout the village prevent people from parking on the verges and enable them to recover?

To have your say, the next Parish Council meeting is being held at the British Legion on Tuesday 6<sup>th</sup> October at 7.00 pm. Residents of the Parish are invited to raise any issues they have in the first 10 minutes. We look forward to seeing you there.

## Scouts, Cubs & Beavers

### Summer Camp

In the first week of the summer holidays 1st Sitwell Scout Group and 2nd Swanwick Scouts took part in one of the biggest Scouting events of the year, Peak 2015. Although the weather started off a bit bland at the weekend, it picked up and was glorious for the rest of the week-long camp, showing off the beautiful surrounding countryside around Chatsworth.

There were many activities to get involved in, raft building, canoeing, abseiling, mountain boarding, mountain biking, adventure hiking for the whole day and late night hikes, Zorbing, football training and street hockey, a huge amount of different arts and craft, science and engineering activities, circus skills, archery, shooting and bell ringing.

Some of the Scouts took part in Chatsworth Estate Services where they helped build a bridge, repair a footpath and construct a picnic table. Others decided to try their hand at the talent show where they sang together and even plucked up the courage to perform their own solos in front of an audience.

There were themed discos every night, live music and a 'Pajama Party', and all of our Scouts were well catered for by 2nd Swanwick and their award winning "Best Camp Kitchen" (for the second time running).

It was a huge unforgettable week and the Scouts did us proud, looking out for one another, making new friends, and pushing themselves with new experiences.

### Request for Community Support

We have a Community Sponsored Walk in aid of 1<sup>st</sup> Sitwell Scout Group on the **Saturday 26<sup>th</sup> September, meeting at the hut for 2.00 pm**. Branch members visited the National Arboretum at Alrewas on Wednesday 19<sup>th</sup> August. This was a joint outing with the Over 60's Club and it was good to have a full coach. We called in at the Legion Club in Alrewas and they put an excellent buffet on for us, the bar was good and everyone socialised for a couple of hours before returning to Horsley Woodhouse.

The future of the Memorial Hall and grounds may become a little clearer after a meeting to be held at Chesterfield Royal British Legion on Tuesday 22<sup>nd</sup> September. This is a period of great change for the Legion and the future of our branch is bound to be affected in some way.

## Something a little light hearted

**Actual Church Bulletins.** These sentences actually appeared in church bulletins or were announced at church services:

- Eight new choir robes are currently needed due to the addition of several new members and to the deterioration of some older ones.
- At the evening service tonight, the sermon topic will be 'What Is Hell?' Come early and listen to our choir practice.

**Local Newspaper clippings:** Who says men don't remember!

A couple were Christmas shopping. The shopping centre was packed and as the wife walked around she was surprised to discover that her husband was nowhere to be seen. She was quite upset because they had a lot to do and hence, she became so worried that she called him on her mobile phone to ask him where he was. In a quiet voice he said: "Do you remember the jewellers we went into five years ago, were you fell in love with that diamond necklace that we couldn't afford, and I told you I would get it for you one day?" The wife choked up and started to cry and said "Yes, I do remember that shop." He replied, "Well I'm in the pub next door!"
