

THE WUDHUS NEWS

PUBLISHED BY AND ON BEHALF OF THE HORSLEY WOODHOUSE PARISH COUNCIL

Lest we Forget

Villagers were joined by the 1st Sitwell Scouts, members of the Parish Council and the British Legion for this year's Remembrance Service and Parade on Sunday 8th November. With a service held at St Susanna's before moving to the Memorial on the Sitwell Recreation Ground for the 11 o'clock Remembrance.

Following this the Scouts had prepared sandwiches, pork pie, cake and a warm cup of tea in the Scout Hut.

A service was also held at 6.15 pm at Horsley Woodhouse Methodist Church when the act of Remembrance was observed.

Call for Photographic Club members.

This is a call to anyone interested in taking photographs to see if there is enough support within the village to start a photographic club. Over the last couple of years there have been calendars and displays at the Carnival that have attracted work from people in the village and indicate that there are keen photographers out there.

The idea came about recently when chatting to Kevin, the school caretaker and a keen photographer. Kevin has attended several photographic clubs, including in Nottinghamshire, but found that they were not really what he was looking for. We would like to sound out other photographers to see if there would be enough support to start a Woodhouse photographic club that is tailored to what people want.

The idea would be to make it accessible to all abilities and ages and not just a club for those with advanced knowledge and piles of equipment. To do this, we would need to know if there is enough support. Tell us if you are keen, but want to learn more, are already experienced and want to meet other photographers to exchange notes, or are just starting out and need to pick people's brains. Do you want weekly meetings, every two weeks, or monthly? Would you like speakers, days out and trips to events such as the NEC Photography Show?

If you are interested, get in contact, we can arrange an initial meeting and see where we go from there: glynnwilton@yahoo.com or 07811 843 186

'We Will Remember Them'

Horsley Woodhouse Servicemen with known graves:

Private George Booth, 1st Battalion Northamptonshire Regiment, WW1

Records confirm that George Booth served as a Private in the 1st Battalion Northamptonshire Regiment in the First World War. His Service No. was 22817.

The Northamptonshire Regiment was formed originally in 1881, as part of the Childers Reforms undertaken by the then Secretary of State for War, Hugh Childers. The reforms were, essentially, a continuation of the earlier Cardwell Reforms aimed at restructuring of the infantry regiments of the British Army. Under the Childers element of the reforms, the former 48th (Northamptonshire) Regiment of Foot and the 58th (Rutlandshire) Regiment of Foot were amalgamated to form the Northamptonshire Regiment.

Regimental Crest

The Regiment saw action in the North West Frontier Operations of 1897-98 and the Second Boer War (1899-1902) before the outbreak of World War 1, with Britain's involvement commencing on the 4th August 1914. On that fateful date, the 1st Battalion of the Northants were in Blackdown near Aldershot, as part of the 2nd Brigade, 1st Division. The 1st Battalion mobilised for war on the 13th of August 1914, proceeding to France and landing at Le Havre. The Battalion were to fight on the Western Front for the duration of the war, taking part in the majority of the main actions, beginning with Mons and the subsequent retreat, The Battles of the Marne and Aisne, the First Battle of Ypres (all 1914) and the winter operations of 1914-15. In 1915 they were involved in the Battle of Aubers and the Battle of Loos. In 1916 they were in action at various times in the Battles of the Somme, including Albert, Bazentin, Pozieres, Flers-Courcelette and Morval. 1917 saw them engaged in action during the German retreat to the Hindenburg Line (February to early April). George Booth is known to have been in England in April 1917 having been "invalided home"; I do not have details of when he joined the Army but, given that the 1st Battalion were in action from the very start, it is probable that he saw a fair amount of the above fighting before being significantly wounded.

Private George Booth died of wounds received on the 9th April 1917 he is buried in Horsley Woodhouse village cemetery under a CWGC headstone. I do not have details of the circumstances or nature of his wounds, it is possible that they were sustained during the actions associated with the German retreat to the Hindenburg Line in the earlier part of 1917, but it is also possible that he was wounded at an earlier time before being invalided back to the UK.

The 1st Battalion Northamptonshire Regiment fought on in 1918 in the Battles of the Lys, the 2nd Battle of Arras, the Battles of the Hindenburg Line (including Ephey, the St Quentin Canal and Beurevoir), the Selle and the Sambre in which the 1st Division fought the Passage of the Sambre-Oise Canal.

By the Armistice of the 11th November 1918, the Battalion was at Fresnoy-le-Grand, S.W. of Bohain in France. They went on to form part of the Occupation Force at Bonn, Germany.

Overall the Northamptonshire Regiment raised 13No. Battalions and received 58 Battle Honours and 6VC's. The Regiment sustained total losses of 5950 men during the course of the war.

And so it begins.....,"

The pupils of Studio 7 Dance and Performing Arts School recently put on a show entitled "And so it begins.....,"

62 members of the school performed an afternoon and evening show to almost sell out audiences. We are now preparing for festivals which start early next year.

The School is situated on Lady Lea Road, Horsley Woodhouse, offers a range of dance and fitness classes from ages 15 months through to adults. We are now taking new enrolments from anyone interested www.studio7dance.co.uk or 07539 119 290.

County Councillor Kevin BATTERY – Keeping you Updated

I am continuing to get complaints in respect of residents parking vehicles on the pavement on Main Street, in such a way that pedestrians have to walk into the road to get past. This is particularly dangerous, especially for those using mobility scooters or parents with young children and pushchairs.

Motorists who park vehicles on the pavement, preventing it being used by pedestrians, can be fined and in some cases receive penalty points on their licence. I accept the reasons why people are doing it, but please be a little more considerate, in the gap you leave. Others can at least then use the pavement for what it was designed for, walking on!

On behalf of local residents I have raised the issue with the local Police Inspector and requested that appropriate action is taken to address this problem.

The Planning Inspector is re-convening the hearing to look into Amber Valley's Core Strategy (Local Plan) on 15th December. Amber Valley is required to facilitate sufficient strategic sites to allow the potential building of 9,770 dwellings between 2011 and 2028. This is significantly more than Amber Valley needs, as they are required to include 2,371 dwellings as part of Derby City's unmet need.

There is also a requirement to provide a 5 year housing supply of 1,010 dwellings per annum. This will be a particular challenge, as Developers build houses, not Amber Valley Borough Council. It must be noted that Developers only built a total of 1,000 homes in the whole of the last 5 years. Whatever the outcome of the Core Strategy, houses will still be built. They may just end up being built in places we all prefer them not to be.

A Combined Authority is still high on the agenda, although it will now be referred to as the East Midland Devolution Deal, as it includes all Councils that make up Nottinghamshire and Derbyshire. In essence, it is an opportunity for powers and resources currently held by Government, being transferred to allow local control.

There will be an elected Mayor, to cover Nottinghamshire and Derbyshire, who you will have the opportunity to vote for. The financial benefits and powers have yet to be fully determined, but you will hear phrases such as control over the Transport Fund (£157m a year). A Single Investment pot, possibly in the region of £30m per year for 30 years (new money). This sounds a lot, but needs putting into perspective, as it will cover 19 different councils. The current annual budget for Derbyshire County Council is in the region of £1.2 billion.

The bigger prize for me is potential access to National and European Funding for existing strategic projects. This is aimed at creating economic growth, jobs, skills, transport, infrastructure etc. The East Midland Evolution Deal has yet to be agreed. Legislation will have to be passed and there will be public consultation to give you the chance to make comment. I therefore do not anticipate it being ratified until possibly September 2016, with elections for the Mayor being held in May 2017.

**If there is an issue I can help you with, please contact me on

Horsley Woodhouse Parish Council

Report from October and November Parish Council meetings

October

- Clerk reported the audit for 2015 has been completed, there were no comments from the district auditor.
- **The Parish Council would like residents to adopt a planter for 2016 by asking if anyone would like to plant up a planter themselves which would include buying the plants.**
- The Scouts are to hold their annual bonfire on the Sitwell Memorial Recreation Ground on Friday 6th November 2015.

November

- Cllr Buttery informed members that high speed broadband is being made available for all of Derbyshire.
- Clerk to ask Derbyshire County Council to install a mirror at the junction of Wood Lane.
- The Parish Council have been informed that someone has been tampering with mole traps on the Sitwell Recreation Ground, unfortunately steps have had to be taken to curb the activity of the moles in this area as they are causing a potential danger by undermining the new play equipment and causing uneven surface to the playing field. They are also causing damage to the grave stones in the adjacent cemetery.
- Permission has been granted for the 40th Anniversary Carnival to be held on the Sitwell Recreation Ground next year on 16th July 2015.

Police Report (October):

- Two bicycles were stolen from a shed
- Damage to a vehicle
- Padlock stolen
- Cows in the road
- Parking on the pavement opposite The Crescent.

Recreation Matters (October):

Litter Bins - A survey of bin locations is to be carried out and then a decision of where new bins are to be sited in the village will be made.

Planning:

October - AVA/2015/0695 – Stainsby Bungalow. Raise existing roof by 1.8 m incorporate front and rear gables. No objections

November - AVA/2015/0945 – 33 Wood Lane, Horsley Woodhouse. Rear extension. No objections

Action on outstanding issues:

Footpath 11 – this diversion is completed with kissing gates installed.

Parking on verges and footpaths – The parking on the pavement/verges is still an ongoing problem without any easy solution. The Parish Council are still looking into ways to solve it, some consideration before parking on them would be helpful and much appreciated.

Date of next meeting:

The next meeting will be on **Tuesday 8th December at 7.00 pm in the British Legion Hall**, all members of the parish are welcome to attend to observe the meeting and raise any issues.

Something a little light hearted

Actual Church Bulletins. These sentences actually appeared in church bulletins or were announced at church services:

- The ladies of the Church have cast off clothing of every kind, for the Christmas Market. They may be seen in the basement on Friday afternoon.
- This evening at 7 PM there will be a Carol singing in the park across from the Church. Bring a blanket and come prepared to sin.

Know Your Apples

Here is the scene: The children were lined up in the cafeteria of a Church elementary school for Christmas Lunch.

At the head of the table was a large pile of apples. The nun made a note, and put it on the apple tray... 'Take only ONE. GOD is watching.'

Moving further along the lunch line, at the other end of the table was a large pile of Mince Pies. A child had written a note, 'Take all you want. God is watching the apples.'

Christmas Yarn of the Seat in Stand

Freddie and John were fortunate enough to have a season ticket to watch Derby. They could not help noticing that there was always a spare seat (B14) next to them and they had a friend who would love to buy a season ticket, especially if all three could have seats together.

One half-time Freddie went to the ticket office and asked if they could buy the season ticket for B14. The official said that unfortunately the ticket had been sold. Nevertheless, week after week the seat was still empty.

Then on Boxing Day, much to Freddie and Eddie's amazement the seat was taken for the first time that season. John could not resist asking the newcomer, 'Where have you been all season'. Don't ask he said, the wife bought the season ticket back last summer, and kept it for a surprise Christmas present.

Scouts, Cubs & Beavers

1st Sitwell on the walk

1st Sitwell Scout group organised with St Susanna's Church in Horsley Woodhouse a community 'Teddy Bear Walk' to and from the Scout Hut. Over 30 kids and 20 adults from the Scout group walked around Horsley Woodhouse and Smalley fields to raise money for the Scout group. The younger kids took their teddy bears with them to make sure they got some fresh air too. **The Scout group is looking to replace the floor in the main hall next year and need to raise funds towards this goal.**

Some Cubs who did the walk also had a teddy bear sleepover at the hut that same night. The kids did many activities including playing games and of course a few hours of sleep. **The Cub section is also looking for more leaders to help run the growing Cub section as it wishes to do more scouting activities with the kids.** If you wish to help please contact the group via the following email address cubs@1stsitwellscoutgroup.co.uk.

Ripley & Heanor District Cubs

Ripley & Heanor District Cubs held an activity day last weekend with 37 Cubs attending the event from three groups took part. The Cubs did archery, rocket making, climbing along a walk, caving, blind tail fire lighting to name a few. Many thanks to the leaders and helpers who gave up their time.

Matteo Pancisi & Cerys Shaw (aged 9)

Scouts ramp up their hut

A new ramp has been installed by the support group at 1st Sitwell Scout group

to provide new access to the Scout Hut. The support group is made up of parents and leaders from the Scout group and the new ramp was unveiled by Helen Gregory, Derbyshire Scouts Additional Needs Co-ordinator and of course some of the Cubs. 1st Sitwell had to rebuild the ramp as all Scout groups are open to all, and since the group reopened two years ago the Scout Hut itself is in need of revamping and modernisation. But we're not done yet. With plans to reduce bills, have better access into the hut via the front door and a new loft hatch (and more) there's still work to be done.

Philippine Community Fund – request for ring-pulls please!

We are asking for your help in collecting ring-pulls to support the Philippine Community Fund. The overall aim is to stop children from being sent out to scavenge for metals on the rubbish dumps in order for their families to make a living, allowing their children to go to school where they can receive an education and two meals a day. ringpull.org arranges the collection and sending of ring-pulls to the parents of these children. The fathers file down the sharp edges whilst the mothers crotch the ring-

pulls into handbags, belts, bracelets, necklaces etc., which allows them to earn significantly more through the sale of ring-pull products than they can on the rubbish sites.

We would like to ask people to save up their ring-pulls, either from work or at home in order to send off to the charity. It's seems such a tiny effort to save the ring-pulls but can have such a huge impact on people's lives. **A collection box will be put in the hut and we will send them off from time to time**
Why not put a bag load in our letter box?

Local Donations

Horsley Woodhouse Parish Council have given the Scout group funds to upgrade the hot water system in the hut. The new water system means that the kids from all sections can now clean up after themselves and of course dry up too. A simple skill but so many people have dishwashers these days.

Many thanks to the Parish Council.

Cubs with Cllr Karen Seals (Chair) and Cllr Simon Harrison

With thanks

Many thanks to all who helped or came to the bonfire event, we look to have made over £700 which is great. Many thanks to the Support Group and leaders for giving up there time again for free, some members started building the fire from 8:30 am.

Many thanks to the Ilkeston's SAS group for their support in the kitchen and to the people who came up again Saturday morning to finish tiding-up the Scout Hut ready for the Remembrance Parade on Sunday. On that note thanks to all who came to the Remembrance Parade on Sunday too, thanks to Kees for making the cakes. There are a lot of thanks in this text but there is a lot we have to be thankful for, remember just over two years ago the Scout group was closed and the doors were locked. So again thanks to you all.

If you would like to join the Scout section or want more information please email the group on gsl@1stsitwellscoutgroup.co.uk.

British Legion

The branch was well represented at St Susanna's Church on Remembrance Sunday and afterwards at the Village War memorial on the Sitwell Recreation Ground when the names were read. We then took part in the evening service at the Methodist Church, and once again the names were read and we remembered them.

The final meeting of 2015 will be on Mon 7th December and we look forward to 2016 with confidence. We average 7 to 8 members at the monthly meetings and this compares well with larger branches. While this continues the branch will remain in business and continue to support the local community.

The branch welcomes any new members to help us carry on with our work.

Don Barham, Hon. Secretary

Ladies Group

As the end of 2015 nears the Ladies Group reflects on all the good times we have had during the year including entertainment activities and really excellent speakers. We thank all members who have participated in and organised the events.

During the November meeting members made Christmas Table Decorations ably assisted by our florist member Sandra Redfern.

The next two meetings include:

- Monday 7th December will be our Christmas Meal at Denby Lodge, starting 6.30 pm
- There is no meeting in January 2016

- Thursday 4th February 2016 will be our first of the new year and we will be having a Quiz Night to get our brains working after all the festivities.

The Ladies Group committee would like to wish all members a Very Happy Christmas and healthy New Year for 2016.

Any local ladies are very welcome to join us and get engaged in the activities we enjoy.

Terrina Girling, Committee Member

Horsley Woodhouse Over 60's Club

The Club continues to meet at fortnightly intervals in the Royal British Legion Hall on Tuesday's at 2.00 pm. The club's final outing for 2015 will be on Thu 3rd December when we visit the Civic Centre at Eckington for a Christmas lunch (this is for members only). During the past year members and supporters have visited Melton Mowbray, Southport ,the National Memorial Arboretum at Alrewas, Eckington Civic Centre and Dobbies Garden Centre. Now we look forward to the New Year and planning our programme for outings.

Our final meeting for 2015 will be on Tue 22nd December when a Festive afternoon is planned. The first meeting of the New Year will be on Tue 5th January 2016 at 2.00 pm. New members are very welcome to join us.
