## Cubs get muddy and meet the local PCSO's

The Cubs from 1st Sitwell Scout Group started a new Cub Scout badge as part of the refresh program called 'Our Adventure Challenge Award'. This is where the Cubs have to do a number of different adventurous activities, so we went caving exploring Mouldridge Mine near Matlock. The Cubs as you would expect got very muddy.

Helmets, lights and help were supplied by the Derbyshire Scout Caving Team in which we are thankful for, and the Cubs reported it was epic.

The Cub pack is in need of more adult help and if this looks to be for you why not ask for more information by emailing Ian at [gsl@1sitwellscoutgroup.co.uk](mailto:gsl@1sitwellscoutgroup.co.uk).

PCSO Emily Stanesby (12716) and PCSO Emma Fisher (4563) visited the Cub pack last month. These officers, who are part of the Safer Neighbourhood Team, cover the local area that the Scout group is part off i.e. Heanor, Loscoe, Shipley, Mapperley, Smalley, Horsley and Horsley Woodhouse. The police and the kids spoke about what the officers wear and carry on them plus their duties during a normal day. This was also part of the new refreshed Personal Safety Activity Badge and how to stay safe when out and online.

## Beavers and Cubs - 1st Sitwell Scout Group

Tim Hollingshurst one of our Beaver and Cub parents did a Dirty Weekend a few months back! Not what you think!!! A Dirty Weekend doing a Rat Race. It was a 20 mile long, 200 obstacle course (apparently the largest obstacle course in the world!).

He got sponsored for this event and has raised over £640 for the group. This money has been put towards 10 new tables that will replace the old ones inside the Hut. Many thanks to Tim and Chris Wilcox (one of our support group members) who collected the tables from Watford.

All Scout Groups in the Ripley and Heanor District go camping or have sleepovers from time to time, last weekend 1st Sitwell's Beavers had a sleepover at their HQ in Horsley Woodhouse; activities were making popcorn on the open fire, playing games, making pizza's and singing camp-fire songs, and many more

including a bit of sleeping. Many thanks to the Leaders for giving up their time.

Ripley and Heanor Scouts, like other Scout Districts in Derbyshire, are in need of more adult help so if you wish to find a local Scout Group near you or to find more info on how to join scouting please contact via the email:

[gsl@1stsitwellscoutgroup.co.uk](mailto:gsl@1stsitwellscoutgroup.co.uk).

"Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands."

"Irving Benson and Jessie Carter were married on October 24 in the church. So ends a friendship that began in their school days."

## 'We Will Remember Them'

### Horsley Woodhouse Servicemen (Known Graves)

#### Lieutenant Jacinth Sacheverel Wilmot-Sitwell, 3<sup>rd</sup> Battalion Coldstream Guards, WW1

Son of Edward Sacheverel Wilmot-Sitwell and Caroline Agnes Wilmot-Sitwell (née Levett), Jacinth was born in Horsley on the 20<sup>th</sup> March 1895. The family home was Stainsby House, Smalley/Horsley Woodhouse. Jacinth was one of Edward and Caroline's two sons, they also had five daughters; he was baptised in Smalley Parish Church on the 5<sup>th</sup> May 1895.

JS Wilmot-Sitwell, 3<sup>rd</sup> Battalion Coldstream Guards

He attended Eton Public School in 1907 and went up to Christ Church College, Oxford in 1911. By the summer of 1914 and the start of the First World War he was at the Royal Military College, Sandhurst. On the 17<sup>th</sup> of February 1915, he was commissioned in the Coldstream Guards and reported to the Victoria Barracks, Windsor on the 1<sup>st</sup>

Stainsby House, North side

April 1915. He achieved promotion to the rank of Lieutenant on the 17<sup>th</sup> July 1915; sadly this was just four days after his relation (cousin?) Stanton Degge Wilmot-Sitwell was killed in action at Achi Baba Nullah during the Gallipoli campaign.

Between the 27<sup>th</sup> of July and 1<sup>st</sup> of November 1915, Jacinth was in France with the 3<sup>rd</sup> Battalion Coldstream Guards, based in the Lens vicinity, as part of the BEF in the preparations leading up to the battle of Loos. The battle was fought between the 25<sup>th</sup> September and the 14<sup>th</sup> October and Jacinth most probably saw action in this battle. From the 1<sup>st</sup> November 1915 to the 20<sup>th</sup> April 1916 he was attached to the

5<sup>th</sup> Battalion Coldstream Guards at Victoria Barracks, Windsor. On the 30<sup>th</sup> April 1916, Jacinth received a posting back to the 3<sup>rd</sup> Battalion Coldstream Guards who were now in the Ypres salient. Records show that, between the 1<sup>st</sup> and 5<sup>th</sup> July 1916, he was with the Divisional Reserves in "Camp E" to the west of Ypres. On the 6<sup>th</sup> July 1916, the 3<sup>rd</sup> Battalion decamped in the evening and moved to relieve the 3<sup>rd</sup> Guards Brigade, leaving the reserve Battalion at Chateau Trois Tours, then a British HQ (later in the war it became No. 44 Casualty Clearing Station). During the evening of the 7<sup>th</sup> July 1916, the reserve Battalion moved from Chateau Trois Tours to relieve the 2<sup>nd</sup> Scots Guards, left front Battalion, right Brigade, located in the Moteldje line. The following is an extract from the 3<sup>rd</sup> Battalion Coldstream Guards diary:

"8<sup>th</sup>/9<sup>th</sup> July 1916: 3<sup>rd</sup> Coldstream 'minenwerfered\*' at about 5am, otherwise quiet night. Various Royal Engineer and Right Group commanders came in. 3<sup>rd</sup> Coldstream 'minenwerfered' again about 3pm. Heavy retaliation put over which eventually stopped it. Wilmot-Sitwell very badly wounded and died in the Dressing Station at Essex Farm. Quiet evening until about 11pm when heavy bombardment opened south east of Ypres and lasted 2 hours, the sky being lit with shells. This turned out to be the Canadians making an unsuccessful attempt to get back a strong point near Hooge".

Chateau Trois Tours, Brielen near Ypres

Wounded by 'minenwefer' fire, Lieutenant J S Wilmot-Sitwell was treated by the platoon (or Company) medic (he may also have received treatment from the Battalion doctor). After this he was stretchered down a communication trench to the wrecked Ypres/Yser canal vicinity where he probably received further treatment in the surgery bunkers in the canal bank at Essex Farm. Despite this attention he died a short time after, he was just 21 years old.

Surgery Bunkers, Essex Farm

Lieutenant Jacinth Sacheverel Wilmot-Sitwell was buried in Essex Farm cemetery, Boesinghe, near Ypres, Plot 2, row v, grave 6. The cemetery is just a few miles from the centre of Ypres and is sited next to a series of dugouts where the Canadian Lieutenant-Colonel John McCrae of the Royal Canadian

Medical Corps wrote his famous poem "In Flanders Fields". The cemetery contains 1,199 burials including that of Rifleman Valentine Joe Strudwick, 8<sup>th</sup> Battalion the Rifle Brigade who was killed on the 14<sup>th</sup> January 1916 aged 15 years, one of the youngest soldiers of the British Army to die in WW1. Between April 1915 and August 1917, Essex Farm was used as an Advanced Dressing Station giving care to the wounded (as with JS Wilmot-Sitwell) before they were transferred to a Casualty Clearing Station. This use means that the majority of those buried at Essex Farm were named (of the total burials just 102 are "unknown") as they would have been known to the men who worked in the Dressing Station.

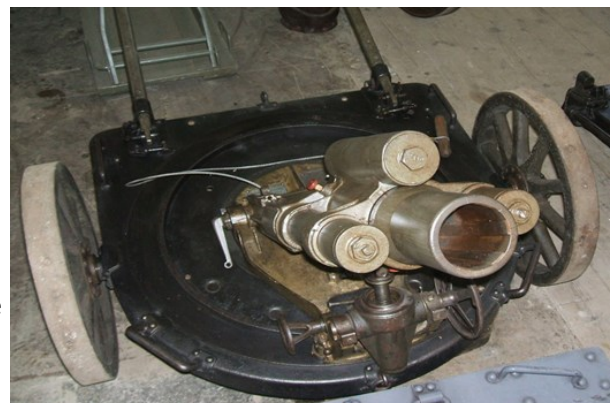

JS Wilmot-Sitwell's grave, Essex Farm Cemetery

Jacinth's name appears on the Old School Room Etonian Memorial at St Georges Church, Ypres and on the Brompton Oratory War Memorial. His relation Lieutenant Stanton Degge Wilmot-Sitwell of the Portsmouth Royal Marine Light Infantry Battalion (part of the Royal Naval Division), is commemorated on the Helles Memorial in Turkey (Panel 2).

War is no respecter of rank or station in life. J S Wilmot-Sitwell, 21 years of age, a promising career and a continuing privileged life still ahead of him, gave that life for King and Country in July 1916. He is one of 14 men from or associated with Horsley Woodhouse who made the ultimate sacrifice during WW1.

\* Minenwerfer, literal translation "mine thrower" i.e. "launcher" is the German name for a type of short range mortar weapon used fairly widely by the German Army in WW1. Their main role was destroying obstacles including bunkers, barbed wire and smaller installations that larger and longer range artillery could not target with sufficient accuracy. Minenwerfers were frequently used in the front line to fire across from one set of trenches to another at close range to cause disruption and inflict casualties.

### Report from April and May Parish Council meetings

#### April:

Mr Cloughton and Dr A McKenzie reported on how far the proposed plans for the future development of the Medical Centre has progressed; an application for funding from NHS England has been submitted.

Cllr Buttery requested that all pot holes should be reported on the Derbyshire County Council web site at [www.derbyshire.gov.uk/transport\\_roads/roads\\_traffic/road\\_fault/?VD=reportit](http://www.derbyshire.gov.uk/transport_roads/roads_traffic/road_fault/?VD=reportit) or by telephone on 01629 533 190.

Cllr Buttery to arrange for the blocked drains in the village to be cleaned.

Cllr Seals reported she had been in contact with the owner of the reported nuisance horses on Golden Valley. It was noted that the Officer from Derbyshire County Council had visited the area and agreed that the horses did not pose a threat to anyone walking through the fields. It was noted however that people walking along the footpath should not feed the animals.

#### May:

Cllr Karen Seals was elected Chairman and Cllr Sam McGuinness was elected Vice Chairman for the forthcoming year.

Cllr Adrian Nathan is a new member of Horsley Woodhouse Parish Council, there are currently two vacancies on the Council.

Members agreed that to recognise the many years of service to the Parish Council a seat will be put on the Horeston Recreation Ground dedicated to Cllr E Lancashire when the playground is redeveloped in the future. The seat will reflect the history of the village and Cllr E Lancashire's interests in the village.

Cllr S Harrison will represent the Parish Council on the Richardson School Foundation Committee.

Donations were given to the Horsley Woodhouse Scouts towards the replacement of a new hot water boiler, and to Horsley Woodhouse Community Association towards the Carnival.

#### Recreation Matters:

##### April:

- Both play areas have received a good safety report from Amber Valley Borough Council.
- The Chairman thanked Cllr C Crowder for all his help and support over the years, as he will be standing down as Parish Councillor in May.
- Thanks were also given to Cllr E Lancashire who has not stood for election due to ill health, he has served on the Parish Council for many years and the village has benefited from his boundless enthusiasm and dedication to the village he has lived in all his life.

**May** - Two litter bins are to be purchased for the Sitwell Recreation Ground.

Planning - April:

**AVA/2015/0254** - Application for a lawful development certificate for proposed extension at 49 Church Lane. No objections

**AVA/2015/0197** - Proposed kitchen extension at 1 The Crescent. No objections

**May:**

**AVA/2015/0246** - Outline application for one bungalow at 12A Chestnut Close. No objections

**AVA/2015/0254** - Proposed sun lounge and dining room extension at 49 Church Street. No objections, however would like the grass verges reinstating after completion of work

Action on outstanding issues:**April:**

- The planters are to be levelled and filled with soil and plants shortly
- The Parish Council is continuing to look into ways of stopping car parking on the grass verges in the village.

**May:**

- The new planters will be levelled and filled by June
- Members have requested that a speed monitor is placed by the vicarage to record the speed of the passing vehicles, as the Council would like Derbyshire County Council to implement a lower speed limit in this area.

**Risk of the spread of disease in livestock from dog faeces**

A local farmer has recently lost a sheep to sarcocystosis the Parish Council would like dog owners to consider the health of the livestock when taking dogs for a walk in the surrounding fields and pick up all dog faeces to prevent the spread of this disease.

**Neosporosis and Sarcocystosis**

**Neosporosis** is caused by the parasite *Neospora caninum* and the disease is now thought to be responsible for the highest percentage of all cattle abortions reported in the UK, one of the ways this disease is spread is by neospora eggs which are produced by infected dogs and excreted in their faeces.

**Sarcocystosis** this disease is also caused by a parasite, dogs can pick up this parasite by eating contaminated material, faeces from the infected dogs can contaminate pasture.

Dog walkers and owners can take some simple steps to help minimise the risk of spreading these diseases:

- **Always remove dog waste from all locations, including grazing land**

*If your dog is carrying the parasites, it will pass the eggs in its poo. By safely disposing of dog waste, you will help minimise the risk of passing on disease to livestock.*

- **Don't let your dog eat remains of dead animals**

*Your dog may be infected by parasites if you allow it to eat animal material it may find whilst out on a walk. Often the parasites cause no symptoms in dogs, but sometimes the disease of neosporosis can seriously affect your dog's health and possibly result in death.*

## County Councillor Kevin Buttery – Keeping you Updated

Pothole repairs remain a concern, despite the recent additional Government grant of £2.9m to specifically address this issue. A poor batch of material has exacerbated the problem causing a backlog of repairs. The quickest way to get potholes repaired is by reporting them, using the Road Fault Form on the Derbyshire County Council website [www.derbyshire.gov.uk](http://www.derbyshire.gov.uk).

I have requested that adjustments be made to the traffic lights at Four Lane Ends due to difficulties being experienced by drivers turning right into Ryknield Road.

Parking on pavements is also another regular complaint that I receive. Pavements are provided for pedestrian use and can suffer damage from vehicles driving over them. Illegally parked vehicles cost the taxpayer thousands of pounds a year in damaged paving and cause serious problems for the blind, disabled, older people and parents with young children. We all have a responsibility to keep the roads and footpaths safe to use.

The Highway Inspector has advised that the problem of motorists over-running grass verges in residential areas occurs throughout the whole County. This is annoying and can leave the area looking unsightly. The County Council does not have the necessary resources to deal with this because of the extent to which it occurs and it does not have any funding for constantly repairing verges. Your Parish Council is working hard to keep the village in a condition we should all be proud of, please work with them on this, as they are doing it for your benefit.

I do not anticipate that the Planning Inspectorate will reconvene his meeting to consider Amber Valley Borough Council's Core Strategy until sometime in June 2015.

Combined Authorities, which was a proposal for all Local Authorities in Derbyshire to 'combine together' to apply for Government Funding for strategic infrastructure projects is now back on track

## County Councillor Kevin Buttery Continued.....

after Erewash Borough Council finally agreed the proposal. I have raised my concerns relating to how Section 106 'Developer Contributions, Community Infrastructure Levies and New Homes Bonuses' generated within this area is spent. It is my view that this money should be spent locally and not used to fund major projects in other Council areas.

If there is an issue I can help you with, please contact me on 01332 781 092 or [kevin.buttery@derbyshire.gov.uk](mailto:kevin.buttery@derbyshire.gov.uk).

## Horsley Woodhouse Carnival - Sat 18<sup>th</sup> July 2015

Just a little reminder that this year the Carnival is being held on Saturday 18<sup>th</sup> July. The day starts as usual with a parade at 1.10 pm from the Doctors Surgery car park at Four Lane Ends which arrives at the Sitwell Memorial Recreation Ground at 1.30 pm. We are pleased to confirm that this year the Carnival is being opened by Jack Clarke.

We are still looking for volunteers for parade stewardship, the entrance gate and refreshment tent. If you can give an hour or two to help out then please contact Tania Pells if you can help with the parade or Vanessa Feeney for assistance at the gate or refreshment tent. However, most of all we are looking forward to your attendance at the event.

In addition to the usual favourite attractions, this year we have Crazy Golf for the first time and additional children's rides. Sponsors have donated a number of very valuable raffle prizes and we are offering raffle tickets in advance of the day to raise funds. Morley Hayes are donating two Champagne breakfasts for two and we are giving one for the 'programme lucky prize draw' and one as a raffle prize. Other raffle prizes include a round of golf for four from Horsley Lodge, an ice cream tea from Bluebells Farm Shop and a free travel voucher from Trent Barton. Tickets will be available from the middle of June at The Flower Shop, The Old Oak Inn, The Post Office, Woodhouse Stores and Wudus Chippy or see the Horsley Woodhouse Carnival Facebook page.

The branch continues to meet at the Legion Hall, first Monday in the month at 7.30 pm. The National Memorial Arboretum at Alrewas is administered by the Royal British Legion on behalf of the nation and we have supported the ongoing work to improve the site over the last 10 years, donating to the construction of new visitor facilities and visiting on several occasions. We have established a good relationship with the local Legion club at Alrewas (which is just down the road from the Arboretum) and after the planned visit on Wed 19<sup>th</sup> August we shall be stopping off to see them and to enjoy one of their excellent buffets.

This visit will include members of the Over 60's club who wish to see the latest developments at the Arboretum, this makes it viable due to the high cost of coach hiring. During our stay at Alrewas, we as a branch of the Legion, make a point of remembering P/O George Nicholson. George lost his life in an air crash on the Black Isle in Scotland and he is commemorated on the Great Wall, 1953 section along with over 16,000 other service men and women who died serving their Queen and country since 1945 and the end of W.W.2. A native of Horsley-Woodhouse, "We will remember him".

## Open Garden

The garden of 9, Main Street is opening again for the National Gardens Scheme (NGS) and this year we will be open both **SATURDAY 1st and SUNDAY 2nd August, 1.30 to 4.30 pm**. The usual plant stall and splendid Cream Teas (in aid of Derbyshire Children's Holiday Centre) will be there on both days.

The NGS collects money for nursing charities including MacMillan Cancer Support, Marie Curie Cancer Care, Cares Trust and Hospice UK, and is the largest single donor to MacMillan. We are grateful for your support in the past and look forward to seeing you again the first weekend in August.
