

HW 45th Carnival & Music Night

Wind, Rain, Lightening & Sunshine – the weather threw everything at the Music Night and Carnival but we made it through!

Well folks what can I say, as this is my last carnival as Chair of the Horsley Woodhouse Community

Association (HWCA) I

was hoping that everything would fall in to place and the whole thing would be a breeze! Well, I was half right – breeze was an understatement. It all started on 5th July, by checking the weather four to five times a day to see what the forecast would be on 14th & 15th July; let's just settle with rubbish!

As we got closer to the weekend it just got progressively worse and the final straw was the Battle of Britain Fly Past being cancelled on the Thursday, so we thought. On Friday it rained from 8.00 until 18.00 whilst we set up for the Music Night and Carnival and then 40 mph winds were predicted with thunderstorms for Carnival Day.

At 17.00 on Friday night, I went home to change for the Music Night and almost had a little cry. Anyway,

enough of all that because we had made the decision to move the Music Night indoors into our big marquee and put a call out to residents that we were still going ahead. The community of Horsley Woodhouse and surrounding villages did us proud and we had a great night (see page 8). It was so heartwarming to see the efforts of all the volunteers hard work had paid off. Saturday still looked changeable, and the emails and calls had

started to come in on Friday and Saturday morning to say entertainers and stall holders couldn't come due to the predicted winds and storms. The mix of 40 mph winds with gazebos and inflatables just doesn't work. But as we so often do in Britain, we put some wellies and a kagool on and said a big NO to the weather and carried on regardless.

In the end the wind was strong, around 20 mph, and we had a couple of showers with the thunder and lightning hanging onto the peripheries, but we still had a great day, and I am so proud of everyone that supported the event, either as a carnival goer, trader, community stall, entertainer and crafter.

The Parade started at 12.00 at the Arthur Medical Centre and was led by the Ambassador Showband Derby who later performed in the main ring. Followed by the Carnival King, Queen and Attendant (Jasper, Freya and Macie) in last year's vintage vehicle winner Ford T; next were this year's Carnival Openers Jo and Sparky from Gem Radio driven by Ray in the Morris Minor. Thanks so much to Jo and Sparky for opening the Carnival and for all the judging.

The main ring competitions ensued with the Float and Fancy Dress followed by a whole host of entertainers to take us through the afternoon. Dako Flying Angels started the activities, next was Trix Academy

with both performing fantastic gymnastic displays. Trix based in Little Eaton brought over 70 youngsters along this year. Bonsall Red Barrows gave a great 'aeronautical' display with their wheelbarrows and fun.

The Best in Show - Vintage Vehicle was announced and then HW based Studio 7 Dance Academy performed a series of dance routines. We mixed things up with the Welly Wanging coming ahead of the Best Dog in Show winner - Coco beating some stiff competition. The turnout for the Welly Wanging and the Tug of War was really great this year and the competition was hot. The welly was nearly thrown 40 metres the full length of the main ring! The Tug of War for both children's and adults was

a true test of endurance, but fun was had by all. We finished the event with a final rain shower just ahead of What a Palaver who gave an amazing fire breathing performance. And then we were all done, and the big pack up began.

Special thank yous

We can't go without saying a special thank you:

- To Horsley Lodge and Morley Hayes who continue to support us with the loan of a golf buggy each, to help people with mobility issues access the field.
- To Ben the local farmer for the use of his field next to the Vicarage, so that we can keep traffic on the roadside to a minimum.
- The Church Hall and HW Primary School for the use of their car parks for disabled parking.
- Neil Cox for the use of a van which is invaluable to help ferry all the equipment round.
- 1st Sitwell Scouts who allow us to use the Scout Hut as a base and have access to their utilities.

The full list is endless but would like to finish off by saying this is a team effort and would not be possible without all the volunteers who help not only on the weekend but throughout the year. Finally to all our sponsors who donate funding so we can keep entry fees affordable.

Music Night in the Park

Even after 10 hours of rain the weather couldn't stop us from having a great evening on 14th July at the Music Night on Sitwell Recreation Ground. Thank goodness for the huge marquee that Jacksons had delivered that morning, as we had to move 'indoors' to protect the equipment, performers and most importantly the locals who braved the weather and supported the night. If you haven't already, check out the videos on the Carnival Facebook page.

Andy Purves opened the evening with a great solo performance, following by Pop Roulette (also known as Cassette Roulette); a five-piece band that really ramped up the night with many taking to the dancefloor, even our local Police Safer Communities team! Closing the evening were JD & Coke, two local chaps who put on a super performance which went down so well people were asking for more.

If you couldn't make it, you missed a really good night. Making sure people were 'well fed and watered' were Bah Bah Mezze, Hollow Farm, Heavenly Horsebox and Jemima's Ices & Donuts, and who could forget the bar that the 1st Sitwell Scouts put together.

Thank you so much to all who helped set up in the rain, all the food and drink vendors, the artists and finally Ark Event Solutions for the great sound system.

HWCA AGM & Community Request

Horsley Woodhouse Community Association will hold their **AGM on Wednesday 6th September at the Old Oak Inn at 19.30**. If you would like to share your thoughts about any of the events and activities, put on by HWCA this year then please do come along. We are always looking for new ideas and learning lessons from the events we put on. In this AGM cycle (Sep 2022 to Aug 2023) we have delivered:

- Bulb planting - village grass verges at Stainsby Avenue, Fairfield Road and opposite the Arthur Medical Centre in Oct/Nov 2022
- A litter pick weekend as part of the Keep Britain Campaign in May 2023
- Music Night on, Parade and Carnival in July 2023

If you can't make it, then you can always share your thoughts on our Facebook pages or email us at admin@hwca.org.uk.

Can you help with Future Events or become a HWCA Member

We are always looking for people to help us with planning and delivering our activities and for people to join our 'Friends of' group or becoming a full committee member. We currently meet once a month for an hour and alternate between the Old Oak Inn and the Sitwell Arms as meeting venues. As a 'Friends of' you can get involved as little or as much as you want to, you don't need to attend the HWCA meetings if you would rather just get involved with the events, then that is totally fine. As a committee member we would ask that you try and take on a role that best suits your skills. However, no time commitment is required but we would ask that you try and make the committee meetings each month.

We had over 38 people help us at the Music Night and Carnival this year and these two events take 10 months of planning. If you think that you can help in anyway, please do offer your support. We are all volunteers and the range of activities we undertake is so varied, for example fund raising, litter picking, marketing, setting up gazebos, car park/parade stewards, selling entry bands/raffle tickets, minute taking, putting up posters, bookings secretary the list is endless.

We can't do this without local people helping us so please do think about joining HWCA or just helping out at our events for a few of hours.

A big thank you for all your efforts

Local residents Terrina and Keith Girling were nominated for the All Things Local friendship blooms as a thank you for all their work and planning on this year's Coronation party and last year's Jubilee party, and they were picked as winners. They received a lovely bouquet in June from All Things Local. Nominated by Louise Heaton, as you can see Terrina loved the flowers. Louise didn't stop there with her kind-heartedness, she purchased beer and chocolates for Keith, as she didn't think flowers were his thing!

We know lots were involved in the planning and so many people in the community put so much help in and volunteered but Louise thought they deserved a special thank you. Here at the Wudhus News we agree Keith and Terrina deserve a special thanks, along with Louise for nominating them.

See the full article in the August/September edition of All Things Local.

Local Clubs, Community Groups & Societies

Horsley Woodhouse & Smalley Royal British Legion

The branch continues to meet on the first Monday of the month, unless it is a Bank Holiday, 7.00 pm in the Memorial Hall, Main St.

At our last meeting we were pleased that the new membership officer for Derbyshire and Leicestershire, Vicky Liquorish was present. She is new in the post, and we were impressed by the enthusiasm and understanding of our problems she displayed. Already we have received help on several problems which have been outstanding for some time.

The position of Poppy Organiser is currently vacant following the resignation of Tom Longdon who is a serving officer in the Royal Air Force and can no longer combine the dual roles. Tom has done a sterling job in difficult circumstances being away from the area and having to cope with the problems during the pandemic lockdowns and we give him our thanks and best wishes for his career in the Air Force. **Anyone who would like to take over the position can come to our next meeting on Monday 7th August**, when the Derbyshire organiser will be present and will explain what the job entails.

Don Barham Honourable Secretary
Horsley Woodhouse & Smalley Royal British Legion

Support the Horsley Woodhouse British Legion Branch – needs you to stay open

This is a valuable resource for the village not only for the British Legion but for several groups including HW Parish Council, the Ladies Group and the local craft group. Many surrounding villages have lost their British Legions and if Horsley Woodhouse doesn't get more members they will have to be absorbed into Ilkeston, and the hall would likely be sold.

We know that with all the cost-of-living increases at the moment that every penny counts but if you can spare £18 per year to become a member please do. I myself (Tania - Wudhus News Editor) signed up on 21st July by telephone. It took just a few minutes and all I needed was my bank details, Date of Birth and full name & address. **So just ring 0800 3077 773 and advise you wish to join as a new member to the Horsley Woodhouse branch, No. BR 0038.**

If you prefer you can become a member online by following these details: <https://selfservice.britishlegion.org.uk/> and click on 'Not a member – Join today'. Fill in your personal details on the first page, click continue and then make sure you enter the branch code on the following page - **Horsley Woodhouse branch, No. BR 0038.**

Being a member doesn't sign you up for anything, you can even decline any promotional material. All it means is that it enables the HW British Legion Branch to remain and the Hall be available for villagers to use.

Hope you can help

Squirrels, Beavers, Cubs, Scouts & Explorers

Wow its was 1st Sitwell's 10th year anniversary since we re-opened 1st Sitwell Scouts. The doors were shut, and the group had no leaders. We re-started the Cub section in September 2013 and the other sections quickly followed. Last year we started the Squirrel Section. We now have 125 members use the Hut every week and that's with support of the leaders and helpers, with a great fun programme.

So, to celebrate the Scout Group had a big camp where 75 young people attended with over 20 leaders and helper at the Oaks Scout Campsite in Loughborough. Just want to say a Big THANK YOU to all the leaders and helpers for giving up their weekend to ensure the young people had the best camp we could do at 1st Sitwell and Ignis Explorers.

We did activities like Riffle shooting, tomahawks, jungle trail, crossbows, climbing, bouldering wall, black hole, archery, mountain boarding and some sleep to name a few. Hope you all had fun and below are some pictures of the camp, and can you see the spelling mistake.

Many thanks to the support group for helping behind the scenes getting the group our camping equipment etc throughout the year. Extra thanks to Chris for getting the gas ready and get the best value for money too! Of course, many thanks to the cooks on camp.

If you do see any of our leaders in the meantime, please thank them for their time. Without volunteers there would be no 1st Sitwell group. **Any parents who would like to come on a future camp for a day (or more) or even help with any of the sections please see a leader or PM or email gsl@1stsitwellscoutgroup.co.uk.** It's satisfying watching the group grow and do Scouting Adventure at 1stSitwell, it's definitely recommended.

OPEN GARDEN

9 Main Street
Sunday 6th August 1.30 - 4.30 pm

Can it really be a year since last August's opening!

This year the date for my National Garden Scheme Opening at 9 Main Street is Sunday 6th August. The gate opens at 1.30 pm and we look forward to welcoming old friends and new visitors. The entry charge is adults £4, children free and dogs on leads are welcome. As usual there will be a stall selling a variety of home-grown plants, with refreshments and cream teas served in aid of the Derbyshire Children's Holiday Centre.

All parts of the garden are accessible by wheelchair, and we have an adapted WC. The afternoon finishes at 4.30 pm.

We hope for a fine day and that our guests have an enjoyable visit.
